Abba's Child

Abba's Child is a one-week overnight camp for children ages 10-17 who have had a sibling or parent die in the recent past. This camp is offered once at no cost to the camper. **If your child has attended Abba's Child camps in the past please enroll them in a regular camp** (scholarships are available if needed).

Experiencing the death of an immediate family member can be overwhelming, and our hope is that this camp will assist campers in knowing they are not alone as they deal with new and sometimes scary feelings. The goal is to provide Abba's Child campers with healthy learning, fun, and friendships that extend into their everyday lives.

Abba's Child offers tremendous fun and adventure for kids in a secure Christian environment. Campers will have the opportunity to enjoy summer camp activities such as horseback riding, archery, canoeing, sailing, swimming and other surprises. Two hour support group sessions are scheduled daily for children to interact with peers who are facing similar loss. Art, crafts, music, story telling, writing, and games are designed to assist with healing.

Abba's Child campers will be at camp during a normal camp session but will have their own special counselors. They will experience the best of Big Lake Youth Camp with the other campers and, in addition, will have special activities geared especially to their needs and experiences. Parents and/or guardians may contact Big Lake Youth Camp for further information.
