Some General Guidelines:

- Requests will be processed as they are received.
- The funds are distributed on a first-come, first-served basis to those who qualify until the fund is used up for the current camp season.
- If we receive your application and the funds have been depleted we will refund the entire amount of your deposit.
- Campership funds are available to an applying camper for a maximum of two years. An application must be submitted, with a new recommendation, both years. Exceptions may be made on a "case by case" basis.
- Qualifying applicants attending a REG Camp or certain RAD Camps will receive \$200 of scholarship assistance. Qualifying applicants attending Adventure Camp will receive \$175 of scholarship assistance. Payment of the remaining reservation balance due to camp fees, transportation fees, video purchases or store deposits is the responsibility of the camper and/or the camper's family.
- Final payment and changes to reservation must be made 7 days prior to camp. Reservation must be paid in full before camper is checked in to camp.
- Campership funds are only available for REG Camps, Adventure Camp and certain RAD Camps. We will not apply Campership funds to a Family Camp or to RAD Camps not listed above.

We look forward to responding to your application. If your camper qualifies for Campership, we will notify you when your camper is registered for camp and the Campership funds have been applied to their reservation.

It is important to us that kids in need have a way to come to camp! Someday when your circumstances are reversed, maybe you too will have an opportunity to donate to this fund so others can come to Big Lake Youth Camp.

Sincerely,

Les Zollbrecht, Director
Big Lake Youth Camp
