Parking at Ray Benson- Our pick up spot will be Ray Benson Snow Park, approximately 3 miles away from camp. We'll pick you up with a snow cat and tubes. It's a ton of fun, and there are a few details you'll want to know about arriving.

- Be sure to purchase an Oregon snow park permit ahead of time, a list of vendors is on our website.
- Have snow clothes ready to change into at the parking lot, because we're getting on tubes and riding into camp!
- Give yourself a little cushion time to prepare before we start loading. Plan on arriving ½ hour or so before loading time.

Families, please consider leaving your cell phones out of the picture while at Big Lake! We would love to have you use this as a time away from your work and any outside stress. Encourage your kids to leave their MP3-type players and any gaming electronics at home. This is a great time to enjoy the out-of-doors and establish new friendships.

The obvious – no fireworks, matches or lighters (flames of all kinds are banned during the summer months).

No pets – as much as we know you love your pets, they are not welcome at Big Lake Youth Camp. Nothing personal...
