

Summer 2017

Hi High Desert Wakesports RAD Camper,

My name is Arthur Ordelleide and I am Big Lake Youth Camp's Associate Director. I am very excited that you have chosen to spend a week of your summer with the RAD team. You are registered for one of our High Desert Wakesports RAD Camps.

The High Desert Wakesports camp is a powerful week in the summer sun behind some of the best boats in the world. You'll boat in to a rustic campsite where you'll spend the entire week tent camping and learning new tricks of the trade from experienced and savvy instructors. This camp features spectacular wakeboarding, waterskiing, wake surfing and even barefooting if you want to give it a go. It is designed for the fun-lovers that want to sharpen their water skills and build life-long friendships along the way. This camp takes place off-site at one of Central Oregon's desert lakes.

Big Lake has all the very latest equipment you will need to have an enjoyable week of wakesport fun. All that you need to bring with you is listed under the "Packing List" section of the Parent Pack. If you'd like to bring your own wakeboard, gloves, or wetsuit you are welcome to do so. All personal gear must be inspected by Big Lake's RAD Staff before it is used. We suggest conditioning your arms and legs in anticipation of learning all these new and fun activities.

If you have any questions concerning your RAD Camp, please let me know.

I look forward to seeing you this summer!

Sincerely,

Arthur Ordelleide  
Associate Director
