

Summer 2017

Hi Volleyball RAD Camper,

My name is Arthur Ordelheide and I am Big Lake Youth Camp's Associate Director. I am very excited that you have chosen to spend a week of your summer with the RAD team. You are registered for Volleyball RAD Camp. You will be staying in the cabins at Big Lake Youth Camp (BLYC) during your week of camp. Each day, Monday through Friday, we will travel 40 minutes to the Sisters Middle School gymnasium for training and fun. This schedule will allow you the opportunity to enjoy BLYC's awesome evening activities and weekend programming. We know you want to improve your game, so time will be spent advancing you at your own skill level, running drills and simply having a great time.

Here is a message from your Volleyball RAD coach:

Hello RAD campers my name is Jensine Leung and I'm super pumped to be teaching you folks the awesome game of volleyball this summer! We are going to rock it! I started playing volleyball in eighth grade after my gym teacher approached me and said I had a great serving arm. By then I was hooked, I played 4 years of Varsity volleyball as a setter and left outside hit. I was very lucky to have an awesome coach that pushed me to my limit and taught me everything I need to know about the sport. All of college I played on an intramural team and played a semester abroad for a university in England. For now, I enjoy playing pick-up games with new and old friends. Volleyball like any other sport is universal, so by teaching you folks how to play the game you can use it as a way to make friends or to improve what you already know. I look forward to meeting each of you and I'll catch you RAD campers on the court!

We love volleyball camp and know you love the sport as well. I know we'll all have a great time! Don't forget to bring your kneepads!

In anticipation of this week of camp, we encourage you to start preparing by conditioning your arms and legs and being able to run around the court. If your parents need to reach you while you are away from camp, your counselor will always have a cell phone and your parents can reach them by calling (503) 805-2267.

If you have any questions concerning your RAD Camp, please let me know.

I look forward to seeing you this summer!

Sincerely,

Arthur Ordelheide
Associate Director
