

Summer 2017

Hi Wrangler in Training,

My name is Arthur Ordelleide and I am Big Lake Youth Camp's Associate Director. I am very excited that you are interested in spending a week of your summer with our team. You are registered for one of our Wrangler in Training (WIT) RAD Camps. With your safety in mind, as well as the safety of our campers and staff, we thank you for filling out the reference form when signing up for this "in training" experience. After talking with your references, we can give you the green light for camp! We can't wait for you to come!

Get ready to experience life on a whole new level as a Big Lake staff member in training! By signing up for WIT you have taken the plunge into what Big Lake Youth Camp is all about, experiencing the amped life of service!

During your week at BLYC, you'll get a behind the scenes look at camp. You'll join us for staff worships, staff meetings, and general staff (G-staff) work assignments! Our hope is for you to walk away knowing exactly what it means to be a staffer here.

Specifically for your WIT position, you will take it up a notch in the corrals. Look forward to grooming & saddling horses, riding, assisting wranglers, cleaning stalls, and assisting and joining campers in stable activities.

A few things to think about before coming to camp:

- For your safety, avoid jewelry. Hoops and necklaces pose a danger of snagging.
- You'll need lots of long pants, boots, sunscreen, a hat, and a water bottle for the barn.
- Expressing flexibility and willingness are key components to being a success BLYC staff member or WIT.
- Plan to dress modestly as to not distract other campers. Plan to wear a one piece swimsuit, shirts showing no cleavage, appropriately sized pants, etc.

At Big Lake Youth Camp we have a rockin' atmosphere of positivity and support. We are thrilled to share this experience with you and look forward to your contribution towards keeping Big Lake awesome!

If you have any questions concerning your RAD Camp, please let me know.

I look forward to seeing you this summer!

Sincerely,

Arthur Ordelleide
Associate Director
